Ministry: Ministry of Natural Resources
Division: Science and Information Resources Division, Far North Branch
Position Title: PLANNING AND POLICY SUPPORT OFFICERS
Duration: 2 Permanent
Location: South Porcupine, Thunder Bay, Toronto, Peterborough
Compensation Group: AMAPCEO
Salary: \$65,695.00 - \$81,219.00 per annum
Position Status: Open
Job Code: 18PRP - Resources Plan & Mgt(A/U)PRP18
Schedule: 6
Category: Lands and Resources
Job ID: 11326

Land use planning specialists wanted! Your expertise is needed to provide support to the Far North Planning Initiative. You will conduct extensive, specialized research pertaining to land use planning and natural resource legislation, objectives, policies and programs to support the integrated and sustainable use of Ontario's land and resources in the Far North. In this capacity you will support the work of partners and stakeholders and represent the Far North Branch on various Ministry of Natural Resources and interministry working groups.

When applying, please indicate which location(s) you are applying for:

1 position: depending on the successful candidate, headquarters can be located at one of the following locations:

Hwy 101 East, South Porcupine; or
435 South James Street, Thunder Bay

1 position: depending on the successful candidate, headquarters can be located at one of the following locations:

99 Wellesley Street, Whitney Block, Toronto; or
300 Water Street, Peterborough

Qualifications: knowledge of land use planning, Crown Land use, resource management and relevant legislation such as the Public Lands Act, Crown Forest Sustainability Act, Endangered Species Act; analytical and conceptual skills and creativity to formulate new procedures and resolve land use problems and assess the effectiveness and implications of land use plans, policies and programs; knowledge of aboriginal culture, tradition and Far North aboriginal communities; project management and teamwork skills to work cooperatively within the work unit, across the ministry and with other ministries and partners to achieve group and ministry goals; communication skills to translate technical and specialized language, concepts, processes and information into terms and messages easily understood by a variety of audiences; proficiency with computers, planning-related software and the practices, principles and approaches of information management for geographic related information.

Posting Date: Friday, September 12, 2008

Closing Date: Friday, September 26, 2008

Applications must be received by the end of the closing date with the Job ID number quoted.
