

NOTICE: Effective January 15th the OPS will be posting new job advertisements on the eCareers website daily. New job advertisements will be posted throughout the week, Monday through Friday. Please check the site regularly to see new opportunities available within the OPS.

Please note that the **job alert** function is temporarily unavailable. We are working on correcting the issue, but in the meantime, please check the website regularly for updated job posting details. We will post an updated message on the site when the job alert function is functional again.

Job Ad

Ministry: Ministry of Health and Long-Term Care
Division: Emergency Health Services Branch
Position Title: FIELD MANAGER
Duration: 1 Permanent
Location: 421 James Street, South Suite 102, Thunder Bay, P7E 2V6, North Region
Compensation Group: MCP
Salary: \$65,734.00 - \$83,544.00 per annum
Position Status: Open
Job Code: AGA19 - General Administration AM-19
Schedule: 6
Category: Management and General
Job ID: 18425

Are you a highly motivated individual with great communication, managerial and interpersonal skills, interested in taking on a stewardship role with the Emergency Health Services Branch? If so please consider this exciting opportunity with the Ministry of Health and Long-Term Care. We are seeking an individual that possesses the ability to represent the ministry and provide leadership advice to officials of external health care stakeholders on proposed initiatives, policies, concerns, investigations and technology.

As Field Manager you will coordinate and evaluate regional operations involving municipal and First Nations land ambulance systems, and air ambulance operations. Additionally you will develop and control budgets, project future needs and organize efficient use of resources.

Qualifications: proven communication, interpersonal and presentation skills to provide direction and advice to a variety of community stakeholders; demonstrated negotiation skills; demonstrated management, leadership and supervisory abilities in a health related environment; well developed planning, analytical and organizational skills; demonstrated ability to develop and control budgets, project future needs and organize efficient use of resources; expert knowledge of the Emergency Health System and its interface with other emergency health care agencies; well developed human resources planning and management skills; knowledge of government initiatives and ability to interpret and apply relevant legislation.
