

NOTICE: Effective January 15th the OPS will be posting new job advertisements on the eCareers website daily. New job advertisements will be posted throughout the week, Monday through Friday. Please check the site regularly to see new opportunities available within the OPS.

Please note that the **job alert** function is temporarily unavailable. We are working on correcting the issue, but in the meantime, please check the website regularly for updated job posting details. We will post an updated message on the site when the job alert function is functional again.

Job Ad

Ministry: Ministry of Natural Resources
Division: Field Services Division/Northwest Region
Position Title: REGIONAL FOREST RESOURCES SUPERVISOR
Duration: 1 Temporary 12 month assignment/contract with possibility of extension
Location: 435 James St South, Thunder Bay, P7E 6S8, North Region
Compensation Group: MCP
Salary: \$72,743.00 - \$94,078.00 per annum
Position Status: Open
Job Code: PRP20 - Resources Planning Mgt PM-20
Schedule: 6
Category: Management and General
Job ID: 17567

Your considerable forest resource knowledge is called upon to supervise the Regional Forest Management Planning Unit in the northwest Region. Under the administrative direction of the Manager, Regional Planning, you will direct and lead a team of professionals responsible for the regional coordination of integrated forest management planning, forest analysis and modeling.

In this position you will be supervising, directing and leading staff as well as promoting an integrated and collaborative approach to the implementation of forest management planning. You will also maintain/enhance staff competencies, direct strategic planning, administer unit budget, prepare annual works plans, and provide expert advice related to forest management and planning to senior management and forest industry staff.

Qualifications: proven management and leadership skills; demonstrated negotiation, facilitation and consensus-building skills to resolve issues with stakeholders; well developed communication and presentation skills; demonstrated organization, planning and project management skills to develop strategic plans, as well as coordinate and direct complex projects; established knowledge of applicable forest resource management legislation, policies and directives; established knowledge of theories, principles and practices of forest resource management to provide expert advice regarding resource analysis; demonstrated judgment, analytical and problem-solving skills.
