Ministry: Ministry of the Environment
Division: Northern Region
Position Title: SENIOR ENVIRONMENTAL OFFICER - AIR MONITORING
Duration: 1 Permanent
Location: 435 James Street South, Thunder Bay, P7E 6S7, North Region
Compensation Group: OPSEU
Salary: \$1,270.78 - \$1,515.70 per week*
Position Status: Open
Job Code: 61507 - Environmental Officer 4
Schedule: 3.7
Category: Science and Engineering
Job ID: 21183

Clean, safe air is essential in protecting the health of people and communities in Ontario. By joining the Ministry of the Environment, you will contribute to the protection of the air we breathe by supporting the monitoring and collection of air quality data.

In this challenging role as a Senior Environmental Officer - Air Monitoring, you will provide technical services necessary to install, operate, and maintain air quality and meteorological instrumentation in support of abatement and monitoring programs. You will also service and repair instruments, audit performance of monitors, conduct site specific studies, as well as operate monitoring and other equipment supporting air quality assessments.

Qualifications: demonstrated knowledge and technical skills in all aspects of operations, maintenance, calibration and repair of delicate air monitoring and meteorological instrumentation; knowledge of electrical/electronic circuits and telemetry technology for repair of electrical circuitry and industrial air pollution control technologies; working knowledge of environmental legislation pertaining to air quality, industrial air pollution, and air pollution control technology; proven analytical and evaluation skills to provide sound recommendations and trouble-shoot air monitoring issues; communication and interpersonal skills to liaise with internal and external stakeholders, provide direction and support to district staff, and prepare technical reports; demonstrated computer skills to maintain and trouble-shoot air data equipment, storage of data, and work within a Microsoft environment; ability to plan work schedules, set priorities and work independently; valid driver's licence and ability to travel in remote service areas to conduct field work.

Posting Date: Wednesday, September 23, 2009

Closing Date: Wednesday, October 07, 2009

Applications must be received by the end of the closing date with the Job ID number quoted.
