Ministry: Ministry of Transportation
Division: Planning and Design
Position Title: PROJECT ENGINEER
Duration: 1 Permanent
Location: 615 James Street South, Thunder Bay, North Region
Compensation Group: PEGO
Salary: \$73,555.00 - \$89,456.00 per annum
Position Status: Restricted
Job Code: 07PBE - Bargaining-Engineering 07
Schedule: 6
Category: Science and Engineering
Job ID: 20726

Contribute your exceptional engineering expertise to this challenging position where you will be a part of a fast paced, highly skilled team of professionals working to ensure the safety of Ontario's highway system.

In this role with the Ministry of Transportation, you will lead project teams in the planning and coordination of highway improvement projects across northwestern Ontario. You will also provide engineering, technical and administrative advice to colleagues, consultants and construction staff; identify engineering problems and prepare recommendations for resolution, and acquire, administer and evaluate consultant services. Additionally, you will work with senior ministry staff, consultants, external agencies, municipalities, developers and the public to build partnerships and ensure the effective completion of construction projects.

Qualifications: applicants must be licensed with the Professional Engineers of Ontario, or have the ability to obtain a licence within a reasonable time frame; knowledge of theories, principles and practices of civil engineering related to highway engineering in order to deliver cost effective planning and design products; practical civil engineering experience related to highway and road projects to comment on staff and consultant designs and provide advice and assistance to senior staff; demonstrated interpersonal, presentation, and communication skills to respond to the demands of senior staff, external consultants, public, property owners and agencies; proven project management and organizational skills to schedule and complete multiple tasks and projects within tight deadlines and budgets; fieldwork and overnight travel is required.

Please note: Online applications to restricted competitions are not accessible from your home computer; to apply to a restricted competition, please utilize an OPS computer terminal.

Less qualified applicants may be considered on an underfill basis.

Posting Date: Wednesday, September 02, 2009

Closing Date: Thursday, September 17, 2009

Applications must be received by the end of the closing date with the Job ID number quoted.
