

NOTICE: Effective January 15th the OPS will be posting new job advertisements on the eCareers website daily. New job advertisements will be posted throughout the week, Monday through Friday. Please check the site regularly to see new opportunities available within the OPS.

Please note that the **job alert** function is temporarily unavailable. We are working on correcting the issue, but in the meantime, please check the website regularly for updated job posting details. We will post an updated message on the site when the job alert function is functional again.

## Job Ad

**Ministry:** Ministry of Transportation  
**Division:** Northwestern Region Geomatics Section  
**Position Title:** PROJECT SURVEYOR  
**Duration:** 1 Permanent  
**Location:** 3rd Floor, 615 South James Street, Thunder Bay, P7E 6P6, North Region  
**Compensation Group:** PEGO  
**Salary:** \$66,316.00 - \$80,063.00 per annum  
**Position Status:** Open  
**Job Code:** 17PBS - Bargaining Surveyor 17  
**Schedule:** 6  
**Category:** Lands and Resources  
**Job ID:** 16412

Thunder Bay`s awe-inspiring landscapes are matched by its rich cultural history. With a population of approximately 125,000 people, Thunder Bay is the 10th largest city in Ontario and the largest metropolitan centre in Northwestern Ontario. The `Gateway to the Great Northwest` is made up of a diverse multi-cultural base and ethnic diversity is indeed one of Thunder Bay`s greatest assets. Strategically located near the geographical centre of Canada on the shore of Lake Superior, the climate and terrain are well-suited to a variety of active outdoor recreational pursuits. The combination of an abundance of affordable housing and the absence of rush-hour traffic jams make Thunder Bay the ideal destination for low-stress, healthy living.

If you are a Land Surveyor looking for an exciting new opportunity, consider joining the Ministry of Transportation, Geomatics Section in Thunder Bay. In this role, you will manage legal and engineering surveys for the planning, design and construction of transportation facilities and the acquisition and disposal of real property. You will also manage consultant assignments and provide professional and technical advice in addition to certifying legal plans and documents.

**Qualifications:** Licensed Ontario Land Surveyor; knowledge of and experience in the production of legal and engineering surveys and plans including related legislation and standards; knowledge of computer surveys application software, survey equipment, coordinate geometry, coordinate systems and datums; demonstrated interpersonal and communication skills to establish and maintain effective working relationships; demonstrated planning, project management, organizational and supervisory skills to manage the work of staff and consultants; proven analytical and problem solving skills to assess acceptability of legal and engineering returns and resolve complex problems; knowledge of the Occupational Health and Safety Act and guidelines as they apply to survey crews; valid driver`s licence and acceptable driving record to complete field work.

Applicants such as articling students or university geomatics graduates who have satisfied all academic requirements of the Association of Ontario Land Surveyors (AOLS) but who are not yet licensed, as well as land surveyors licensed in another Canadian jurisdiction may be considered on an underfill basis and must achieve licensing as an Ontario Land Surveyor within a mutually agreeable timeframe.

**Posting Date:** Friday, March 13, 2009

**Closing Date:** Friday, April 03, 2009

Applications must be received by the end of the closing date with the Job ID number quoted.

**Apply online  
or send application to:**
