Are you serious about making your mark, getting hands-on work experience and learning more about careers in the Ontario Public Service? Summer Employment Opportunities are available for students in a wide variety of locations across the province.

Student - Aquatic/Wildlife Biologist

May include fisheries or wildlife data collection in a field and/or laboratory setting; and analysis of data in support of inventory, assessment, monitoring, research and planning projects.

What we are looking for: Student - Aquatic/Wildlife Biologist

You have strong organization, analytical, verbal and written communication, and computer skills to collect data in the field and in the lab, perform data entry and analyze data. Strong computer skills will be an asset (Excel, Fishnet, Word, GPS, GIS and data analysis). The operation of boats, motors, and ATVs may be necessary while conducting field work and the ability to work as a research team member would be an asset. Some positions may require extensive travel within Ontario.

You use computer software applications including word processing, spreadsheets, presentation, email, electronic file management systems

You use office equipment such as photocopier, fax machine, scanner to complete administrative tasks.

You work independently or as part of a team; you plan, organize and prioritize your work to meet competing deadlines.

The duties may include fish population assessment and research, such as creel surveys, index netting, electro fishing, assessment, data entry and basic analysis. Projects may be related to fish communities and aquatic ecosystems, sport fish, commercial fish, wetlands; and lake, stream and river environments. Projects may also include wildlife population and wildlife habitat assessment including both aerial and ground surveys; species identification and mapping; as well as sampling and assessment for a variety of wildlife including game and non-game species, waterfowl and species at risk.

Posting Date: Wednesday, March 9, 2011

Closing Date: Friday, March 18, 2011 11:59 pm EST

How to apply:

1. You must **apply online**.
2. You must demonstrate how you meet the eligibility criteria, skills and experience we are looking for clearly, completely and concisely. We rely on the information you provide to us.
3. Some positions are restricted to students 15-24 years of age (up to 29 years old if you are a person with a disability) on the first day of employment. Other positions are open to all students.
4. You must be a resident of Ontario.

5. You must be eligible to work in Canada.
6. You must be currently enrolled in a secondary or post secondary school, or have completed all academic requirements for graduation within 6 months prior to May 2011.
7. You must upload your cover letter and resume in one file in any of the following formats: PDF, WORD, plain or rich-text format (.pdf, .doc, .docx, .txt and .rtf).
8. If you have a disability and require accommodation to apply, or to complete this application form, please contact us at SEO@ontario.ca.

Remember: The deadline to apply is Friday, March 18, 2011 11:59 pm EST.
Late applications will not be accepted.

Note: We thank you for your interest; however, we will contact you only if we choose you for further screening or an interview.
