Great-West Online Services for Plan Members: Registration

Step 3 of 3

Sign In Information

Please provide a user name and password. Choose a password that will be easy to remember, but difficult to guess. Please refer to the note below and the tip box provided for assistance.

User Name

Note your user name:

- must be 6 to 30 characters
- must not contain spaces
- cannot be changed after registration

Password

Note your password:

- must be between 6 and 12 characters
- must not contain spaces, special/international characters
- must not contain your user name, first name or last name
- is case-sensitive
- should contain at least 1 number and 1 letter

Re-enter Password

Tip

When choosing a User Name and Password only letters and numbers with no spaces or special/international characters (other than hyphens, underscore, periods). Passwords are case-sensitive.

An effective way of creating a good password is to choose a phrase you'll remember, and the first letter of each word. Substitute words that have a numeric equivalent (e.g. 'for' to

Security Information

This information will assist you in resetting a forgotten password.

Security Question

Your Answer

Note your Security Answer:

- cannot be the same as your user name
